

3.1 Map Skills Practice

1. What region is shown on this map?
2. In general, what do the colors on the map represent? Specifically, what does the color light green represent?
3. Zoom in on Lower Nubia. In what ranges of elevation does this area fall? In what ranges of elevation does Upper Nubia fall?
4. Resize the map so that you can see the entire region. Are the cities shown on this map typically located in areas of higher or lower elevation?
